Bentley and Son.

Dear Sirs:

In behalf of the Milwaukee Radio Amateur's Club I wish to thank you for the use of shipping coffin and stands which you so kindly loaned us for our party on Aug. 21.

I can assure you nothing could have given a better effect. I think you would have enjoyed the whole affair if it had been possible for you to be present.

I might add that this act was put on by the Milwaukee delegates to the Third National American Radio Relay League Convention, which was held in Chicago on Aug 18-21.

Most gratefully yours,

Seey-Treas.
